Ohio Inspection Certificate #
DEC 31 1962

R D 4, Box 120 Wapakoneta, Ohio
Note to Ohio customers - Please include 3% tax

I still have a lot of bulbs to sell so am putting out a shortened list in view of the mail increase. 1962 lists are available on request if more description is needed. The residue of large flowered varieties will be easily handled as I am particularly anxious to cut the miniatures to the vanishing point I am listing them first.

Mudsock is the first road east of Interstate 75 and I am about a mile south of the Cridersville Road, named National Road.

Most bulbs are fine large ones, bulblets available, at 25¢ per packet. If you had mixed or diseased stock last year I would like a chance to square things.

For convenience am listing large at 2/30¢ or 10/1.20, medium at 3/25 10/70¢ and small at 5/25¢, unless otherwise noted. Small are very short and medium not plentiful. Some varieties are only a few bulbs so please use alternate choices, in case. Smaller sizes are initialed.

Color	Variety	Color	Variety
236	Acme, light red, white darts, M	200	Alecia, Pure white, M & S
251	All Blotches, creamy rose, dark blotches	100	Angelica, Tiny white. 2/35, 2/25 4/25
